SUBJECT- Proposal for Voluntarily Imparting UPSC CSE Coaching

Dear Sir,

Being inspired by this initiative of Delhi Govt. we, as "Coachup" would like to contribute and conduct **Free Awareness Program** to help the serious aspirants of "DADHICHI - The Competitive Society" to understand the exam pattern, its importance and strategy to start the preparation for UPSC CSE Exams by imparting education at zero cost to the college and students.

Since choosing the best suitable career is one of the most important milestones in a young Aspirant's life, which involves self-analysis, critical thinking and finally decision making.

Following the words of an eminent personality - "A Good Coach can Change a Game, A Great Coach Can Change Your Life!"

Coachup would like to provide the classes at your Esteemed College premises to create awareness and give the students an insight as well as a roadmap for preparation for UPSC CSE, understanding the job opportunities they can adopt after this course and help them introspect and analyse the required abilities to be successful, happy and content in the course/career they choose. As UPSC Civil Service exam happens to be the toughest exam with just a handful of aspirants clearing every year, so our coaching will guide them about the right strategy one should adopt to prepare for this exam and what should be the approach as well as the importance of current affairs by imparting free education.

The schedule of classes we are going to impart in the month of Jan'2020 is as follows and for further month the schedule will be updated by the end Jan'2020.

- » The Classes will commence from Monday the 6th of Jan'2020.
