Dear Colleague,

A new section OPEN BOOK EXAMINATION (AUTOSUBMIT & PENDING) is now available on your OBE Portal Dashboard.

This section consists of Students who either partially Submitted their Answer Sheet (AUTOSUBMIT) or not submitted their Answer Sheet (PENDING) on OBE Portal.

However, we may also have received these Students' submissions through Email.

You are therefore requested to Evaluate only those Students whose Responses are received through Emails.

Please note that Email Responses are under processing so you may not get an Evaluation Button against those Students whose email(s) are under the process of mapping. Please login back to check the status.

Keeping in mind the prevailing situation and the pressing time, you are requested to complete the evaluation process at the earliest.
