Bridgegroup Solutions is promoted by a group of like-minded young professionals having deep knowledge in providing investment solutions and consulting.

We are passionately driven by our Vision of “being the Top Investment Solution Provider and a Trusted Brand”

Job Profile:

Finance and Marketing

The Internship will be fragmented to cover both theoretical and practical aspects of Financial Industry. During theoretical classroom sessions conceptual understanding will be generated for financial products (i.e. Mutual Funds, Life Insurance, Health Insurance, etc.) and in-depth understanding of Human Life Value Calculation, Retirement Planning, Tax Planning, Risk management and setting of Financial goals will be imparted

For gaining practical exposure interns will meet individuals (through referrals, corporate activities, promotional drives, etc.) and generate leads for the organisation. Interns will interview clients, review their fiscal situations to understand their Financial Positions and develop tools to assist in meeting financial goals. The Financial tools would include developing a family budget, tax sheltered investment plan, retirement savings and a major purchase timeline.
